Old Business:

Funding Contribution Update- Becky has been in communication with Rick at the County and it seems hopeful that they would contribute more than the 75k. More info to follow.

Project Update- Carolyn & AJ provided an update on the project. A few of the municipalities have completed their use surveys already. We would like to have all of them completed by 10/27. Lynn Twp may be in a holding pattern until after the election & appointment of a new supervisor. The project will still move forward and EPD will circle back to them as needed. Carolyn explained a few of the use definitions and addressed a few uses such as agri-tourism & wedding venues that weren't on the survey. Those will be treated as accessory uses. Uses such as warehouse will be further broken down. EPD will gather all of the survey results and present them to the group for review in the future.

Our November meeting falls on election day. The committee decided to move the meeting 11/14 @ 5:30. Brian will advertise the new date.

Anyone who would be willing to help take minutes of our meetings should contact Brian.

Next meeting will be November 14th , 2023 @ 5:30 pm @ Washington Twp
