AJ reviewed the results of the land use surveys. Lynn still needs to complete their survey which will take place next Tuesday. Discussion was held on several land uses that may be somewhat controversial that were not popular on the surveys. The municipalities will follow-up with AJ on these uses. EPD will update the list as discussed and make recommendations on where the undesired land uses should be located for the next meeting. A few additional uses will also be added.

EPD requested mapping from LVPC and will hopefully have that info soon so it can be presented at the next meeting.

Future meetings will start at 5 pm to allow additional time before Washington Twp's BOS mtg. Brian C. will advertise the December '23 & full year 2024 meetings.

Anyone who would be willing to help take minutes of our meetings should contact Brian C.

Next meeting will be December 5, 2023 @ 5:00 pm @ Washington Twp
