**Business:**

This is the first meeting of the PLAN NL committee members since the plan was adopted by all municipalities last fall. Becky provided an overview of the next steps.

Hannah Clark and the team from Michael Baker provided a presentation on their proposal to update the 6 zoning ordinances. The group addressed several questions from the committee. Hannah will update their proposal to include the creation of an official map for the region.

The committee thanked Hannah & her team for their presentation and told them that they will also be meeting with another firm next month. A decision on which firm will be chosen will happen at a future meeting.

Next meeting will be March 7, 2023 @ 5:30 pm @ Washington Twp
