Fritz Najarian was present. Fritz is a member of the Lynn Twp PC & a candidate for Twp supervisor. Discussion was held to address various questions Fritz had.

Old Business:

Discussion was held regarding the implementation agreement. Revisions to the implementation agreement were reviewed by the group. Everyone present was comfortable with the changes to the agreement. There is still some hesitation by Lynn Twp to sign the agreement, the other communities did not think there would be an issue with their Boards signing it. Becky suggested that the agreement should be approved asap to avoid potential issues. The group all agreed and each municipality will place it on their next agendas for adoption. The group also agreed to push forward even if it meant one of the communities did not wish to participate. Brian will reach out to Justin at Lynn. Each municipality will email a copy of the agreement to the group as it's adopted.

The next meeting should be relatively short as it will just be an update on the agreement adoption & funding from the County so we will hold it via zoom and post it at the door in Washington Twp.

Next meeting will be June 6, 2023 @ 5:30 pm on ZOOM
